

May 4th, 2009

Dear Families & Friends,

We are pleased to announce that our Half-Day Preschool Summer Camp will be returning for the Summer of 2009 and will be offered to children ages 3-5 years old in our community.

Our Half-Day Preschool Summer Camp Program is not one based on academics, but rather one that will review basic skills learned throughout our school year. Science experiments, math concepts and social studies will be presented in a fun and game-like manner. Our intent is for your child to have FUN while keeping their skills fresh and focusing on KG preparation for those children who will be heading to school this fall.

Class will be held Monday through Thursday from 9am until Noon. A snack will be provided and the children will participate in Chapel one day per week.

Each session requires an 8 children minimum enrollment for each age group. The 3 and 4 year old programs will be open to current Open Arms children as well as interested children from the community who have turned 3/4 years old respectively by June 30th, 2009.

Below are the dates of the two-week sessions being offered. You can sign up for as few and/or as many as you would like, as each session will have a different theme and focus for your child/ren.

To sign up your child for the summer sessions, simply return a one-time only \$25 non-refundable Summer Camp Registration Fee with the registration form below ***no later than Friday, June 12th, 2009***. Registration forms/fees will be considered on a first come first served basis (classes fill up quickly so please submit your forms/fees as soon as possible). You will then be contacted to confirm your registration (alternate sessions will be offered if your first session selection is full). Cancellations or schedule changes will not be accepted from community registrations after June 12th. On Monday, June 15th, you will be billed for the sessions you enrolled your child in. Each session costs \$185 and is due the first day of each session.

Thank you for your interest in our programs and we will look forward to having your child/ren join us this summer!
